

# FLINT HILL ELEMENTARY SCHOOL AFTER SCHOOL ENRICHMENT PROGRAM

SPRING 2018

This catalog provides the schedule and course descriptions for the upcoming Spring 2018 session of the Flint Hill Elementary School After School Enrichment Program.

Please note that classes range from 8 classes per session up to 12 classes per session (this was dependent on school holidays, room availability and instructor's need). **Some classes fill very quickly so please do not delay in registering your children.**

## Registration Information:

**Registration Begins: 10:00 am on Thursday, January 25<sup>th</sup>**

**Registration Ends: 11:45 pm on Friday, February 2<sup>nd</sup>**

Registration will be online through a link on the PTA website, or visit [www.pay4schoolstuff.com](http://www.pay4schoolstuff.com) to register directly. Registration instructions can be found on the PTA website ([www.fhespta.org](http://www.fhespta.org)).

### Important Registration Notes:

- All registrations **and** payment must be completed online. E-mail [afterschool@fhespta.org](mailto:afterschool@fhespta.org) if you need an alternate registration or payment option.
- If a class reaches its maximum capacity, it will be noted as such in the registration system. We will maintain a waitlist for each class that is full. If a space opens, you will be notified via e-mail.
- A class is subject to cancellation if it does not meet the minimum number of students required. If your student's class is cancelled, we will work with you to find another afterschool class for him/her.
- The online registration system collects emergency contact information for each student. To save you time during the registration process, please have the following information available: *emergency telephone number(s), authorized adults to pick up, local contact name and phone number (in the event your child needs to be picked up and we cannot reach you)*. Also, please note that if you are registering multiple students, you will be asked to enter your emergency contact information for each student.

***Please complete the emergency information thoroughly and accurately!!***

***We DO use the emergency phone numbers frequently so please make sure they are updated!***

- Any changes to registration after the online registration is completed will result in a \$10 processing fee. Please choose carefully!
- Withdrawals within the first two weeks of classes will be allowed and will be refunded on a prorated basis. There will be NO refunds allowed after the 2<sup>nd</sup> class. ALL refund requests will be subject to a \$10 processing fee.
- Parents/guardians must agree to the Waiver and Rules of Conduct during the online registration process (prior to seeing class options). A copy of these documents can be found on the PTA website ([www.fhespta.org](http://www.fhespta.org))
- PTA funding is available to families that need assistance. If you need financial assistance, please contact [afterschool@fhespta.org](mailto:afterschool@fhespta.org).
- Please refer to our PTA website ([www.fhespta.org](http://www.fhespta.org)) to see the complete Policies & Procedures.

**Any questions? Send an e-mail to: [afterschool@fhespta.org](mailto:afterschool@fhespta.org)**

## **Spring 2018 Enrichment Class Descriptions (Listed Alphabetically)**

**Acting & Improv (3-6):** *New Course Offering!* Students will use their own unique qualities as they learn to act, using theater games, improvisation, storytelling, and text. Through individual and group activities young actors will build their actor's toolbox, gain confidence, and each will make a significant contribution to the final presentation held on the last day of class. Great for students with any level of experience. *(Instruction provided by Acting for Young People)*

**Basic Acting – “Take the Stage” (K-2):** *New Course Offering!* Students will learn the fundamentals of acting as they develop their actor's toolbox through theater games and acting exercises that they will apply to an ensemble performance piece. Each young actor will have the opportunity to grow and build confidence, and a moment to shine in our final presentation held on the last day of class! Great for students with any level of experience. *(Instruction provided by Acting for Young People)*

**Basketball (1-6):** This class focuses on the fundamentals of basketball through skill-building drills and games. Basics of basketball will be introduced to those new to the game while those with past experience will expand their knowledge. We will play small sided games along with fun skill development games. It's a great way to get some exercise and learn about teamwork! *(Instruction provided by Chris Kurtzman)*

**Chess Club (K-6):** Chess club is taught by experienced Silver Knights Enrichment players and educators using a curriculum developed by National Masters. Each weekly session is a mix of learning and play and is open to all skill levels. Playing chess is a great way to develop a child's critical thinking skills, sportsmanship, and patience — all while having fun! *(Instruction provided by Silver Knights Enrichment)*

**Creative WeDo Robotics (K-2):** This class welcomes newcomers to WeDo robotics as well as students who are looking for additional WeDo robotics challenges. The course emphasizes creative problem-solving challenges, design innovation, and basic applied math concepts. Using an expanded construction set, students build more complex mechanisms and robots, and use their innovation and critical thinking skills to engineer their own creative solutions to exciting challenges. Newcomers will use the basic WeDo kits and can access the expanded construction sets when they feel ready to do so. *(Instruction provided by Fairfax Collegiate)*

**FHES Environmental Club (3-6):** Come learn about the biodiversity of our school grounds! Students will work with club leaders to enhance our school grounds by planting, weeding, and adding in some creative touches all around the school. We will continue to work together to Fly High for a Greener World! *(Instruction provided by FHES teachers Ms. Kuykendall & Mrs. Fischer)*

**Futsal (3-5):** *New Course Offering!* Mr. Bechtle is bringing Futsal to Flint Hill! Futsal is a derivative of soccer and played with 5-man teams on a basketball style court with no walls and a smaller, low-bouncing ball. Futsal can help your soccer player develop their skills through improvisation, creativity, and technique as well as ball control and passing in small spaces. Many of the world's best soccer players, including Pele, Lionel Messi, and Cristian Ronaldo, have all played futsal early in their careers – so come on out and give it a try! *(Instruction provided by FHES teacher Mr. Bechtle)*

**Karate (K-6):** This popular class is a disciplined introduction to the sport by Kaizen Karate. Your child will learn the beautiful art of karate while gaining safety and defensive skills in a respectful environment. The class will also emphasize the basic karate principles of focus, patience and self-discipline. Returning students will continue to work toward new belts while first time students will be able to start the belt program. *(Instruction provided by Kaizen Karate)*

**KidArt (1-6):** Always a popular class! Ms. Joyce will expose students to a plethora of mediums in this process-oriented, fine art class. Creative expression is encouraged to help build your student's artistic confidence and skill. In this multi-media program, students will experience a wide variety of projects during the session and create works of art to treasure for years to come! *(Instruction provided by Joyce Taylor Homan)*

**Minecraft Club (1-3):** Turn the Minecraft computer game into an educational experience with this introductory class. Students will learn how to install, run, and eventually create customized Minecraft mods. They will also set up and join a curated private server, customize graphics and gameplay, and develop their problem-solving and teamwork skills as they tackle a wide variety of challenges together with their classmates. Students of any Minecraft level can join and expect to be challenged and engaged. *(Instruction provided by Fairfax Collegiate)*

**Robotics Club (3-6):** This club focuses on LEGO's EV3 robotics platform. Students design, construct, and program their robots to perform in sensor-based challenges, as well as robotic competitions. Initial student projects include hill climbing, beacon retrieval, color sensor navigation, and robot combat. Advanced programming and more complex robotics tasks are available for students who are ready for additional challenges. Students with any level of robotics experience are welcome to join. *(Instruction provided by Fairfax Collegiate)*

**Soccer (K-2):** This class focuses on the fundamentals of soccer through skill-building drills and games. Basics of soccer will be introduced to those new to soccer while those with past experience will expand their knowledge. We will play small sided games along with fun skill development games. It's a great way to get exercise while learning the skills of soccer, teamwork, and sportsmanship...all while having fun! *(Instruction provided by Chris Kurtzman)*

**Sports & Games (K-2):** Come join the fun! Flint Hill's youngest students can experience a variety of different team sports, games, and activities that promote an active healthy lifestyle. Children can release some energy, get some exercise, learn new sports and games, and socialize with other children. Values such as sportsmanship, teamwork, sharing, and consideration of others will be stressed. *(Instruction provided by Chris Kurtzman)*

**Sports & Games Plus (3-6):** We've upped the fun quotient! Flint Hill's older students will learn how to be lifelong physically active individuals through a variety of different games and activities. Emphasis will be placed on teamwork, sharing, consideration, exercise, and FUN! *(Instruction provided by Chris Kurtzman)*

**Stop Motion Animation (3-6):** *New Course Offering!* Students use still cameras, audio recorders, and Final Cut Express to create stop-motion animation projects. Film projects can be created from LEGO blocks, modeling clay, action figures, and other 'found objects' used for settings or props. The course provides an overview of photography, sound recording, and video editing as part of the filmmaking process. An emphasis is placed on creativity and innovation, as students use their imagination and ingenuity to create their films. *(Instruction provided by Fairfax Collegiate)*

**Zumba Kids (K-6):** Flint Hill music teacher, Ms. Grant, brings the Zumba Kids program back this fall! Zumba Kids is the ultimate dance-fitness party for youngsters where they can move to the groove with friends. This program features fitness moved set to age-appropriate, Latin-inspired music that can get kids movin' to the beat! Students will dance to the following styles: Salsa, Merengue, Bachata, Reggae, Calypso, Bollywood and Bhangra. Zumba is a fun way to get in shape! *(Course taught by FHES music teacher Ms. Grant)*
